

## Pitch (im)Perfect Singers Information Sheet

Pitch (im)Perfect Singers is a family initiative. Our family blends different nationalities and traditions and shares a love of music and singing. Not all in our family are trained musicians; some have extensive musical experience, while others wouldn't pass an audition. We love to sing but not all of us are good at it. What we've discovered is that when we sing together, we all sound good, and have a great time doing it!

We believe that others out there share our passion for singing, and want a place where they can have fun and free their voice. As our name suggests, we are not about perfection and believe that, you don't have to sing well to create a beautiful sound with others. This motivated us to create Pitch (im)Perfect Singers.

Pitch (im)Perfect Singers is a novel concept. It is not a traditional choir; there are no soprano, alto, tenor, or bass sections. Instead, after vocal warm-ups, we sing a wide range of popular songs in unison to backing tracks to maximize participation and inclusivity. Songs and themes change from week to week. Our goal is to create a safe and fun atmosphere where everyone, regardless of their ability, can (without judgement or pressure) experience the intellectual, emotional, and physical benefits of singing, along with the social rewards of singing in a group.

Cost: \$10 per session  
Backing tracks, lyrics, and refreshments included
