**DON’T STOP – Fleetwood Mac**

If you wake up and don't want to smile,
If it takes just a little while,
Open your eyes and look at the day,
You'll see things in a different way

Don't, stop, thinking about tomorrow,
Don't, stop, it'll soon be here,
It'll be better than before,
Yesterday's gone, yesterday's gone

Why not think about times to come?
And not about the things that you've done,
If your life was bad to you,
Just think what tomorrow will do

Don't, stop, thinking about tomorrow,
Don't, stop, it'll soon be here,
It'll be better than before,
Yesterday's gone, yesterday's gone

*Instrumental*

All I want is to see you smile,
If it takes just a little while,
I know you don't believe that it's true,
I never meant any harm to you

Don't, stop, thinking about tomorrow,
Don't, stop, it'll soon be here,
It'll be better than before,
Yesterday's gone, yesterday's gone

Don't, stop, thinking about tomorrow,
Don't, stop, it'll soon be here,
It'll be better than before,
Yesterday's gone, yesterday's gone

Ooh… don't you look back
Ooh… don't you look back

**ROLLING IN THE DEEP – Adele**

There's a fire starting in my heart,
Reaching a fever pitch and t's bringing me out the dark,
Finally I can see you crystal clear,
Go 'head and sell me out and I'll lay your ship bare,

See how I leave with every piece of you,
Don't underestimate the things that I will do,
There's a fire starting in my heart,
Reaching a fever pitch, it's bringing me out the dark

The scars of your love remind me of us,
They keep me thinking that we almost had it all,
The scars of your love, they leave me breathless, I can't help feeling –
We could have had it a-a-all… rolling in the dee-ee-eep…
You had my heart inside of your hand… and you played it, to the beat

Baby, I have no story to be told,
But I've heard one on you and I'm gonna make your head burn,
Think of me in the depths of your despair,
Make a home down there as mine sure won't be shared

The scars of your love remind me of us,
They keep me thinking that we almost had it all,
The scars of your love, they leave me breathless, I can't help feeling –
We could have had it a-a-all… rolling in the dee-ee-eep…
You had my heart inside of your hand… and you played it, to the beat –
We could have had it a-a-all… rolling in the dee-ee-eep…
You had my heart inside of your hand… and you played it, with the beat –

Throw your soul through every open door,
Count your blessings to find what you look for,
Turn my sorrow into treasured gold,
You'll pay me back in kind and reap just what you sow

We could have had it all… we could have had it all… it all, it all, it all –

We could have had it a-a-all… rolling in the dee-ee-eep…
You had my heart inside of your hand… and you played it, to the beat –
Could have had it a-a-all… rolling in the dee-ee-eep…
You had my heart inside of your hand…
But you played it, you played it, you played it, you played it to the beat

**YOU NEEDED ME – Anne Murray**

I cried a tear, you wiped it dry,
I was confused, you cleared my mind,
I sold my soul, you bought it back for me,
And held me up and gave me dignity,
Somehow you needed me

You gave me strength, to stand alone again,
To face the world, out on my own again,
You put me high, upon a pedestal,
So high that I could almost see eternity…
You needed me, you needed me

And I can't believe it's you I can't believe it's true,
I needed you, and you were there…
And I'll never leave, why should I leave, I'd be a fool,
'Cause I finally found someone who really cares

You held my hand, when it was cold,
When I was lost, you took me home,
You gave me hope, when I was at the end,
And turned my lies, back into truth again,
You even called me friend

You gave me strength, to stand alone again,
To face the world, out on my own again,
You put me high, upon a pedestal,
So high that I could almost see eternity…
You needed me, you needed me

You needed me, you needed me

**LARGER THAN LIFE – Backstreet Boys**

I may run and hide when you're screamin' my name, alright…
But let me tell you now there are prices to fame, alright…
All of our time spent in flashes of li-i-i-i-ight

All you people can't you see, can't you see,
How your love's affecting our reality,
Every time we're down, you can make it right,
And that makes you larger than life

Looking at the crowd and I see your body sway, c'mon…
Wishin' I could thank you in a different way, c'mon…
'Cause all of your time spent keeps us ali-i-i-i-i-ive

All you people can't you see, can't you see,
How your love's affecting our reality,
Every time we're down, you can make it right,
And that makes you larger than life

*Instrumental*

All of your time spent… keeps us ali-i-i-i-i-i-i-i-i-i-ive

*Instrumental*

All you people can't you see, can't you see,
How your love's affecting our reality,
Every time we're down, you can make it right,
And that makes you larger than life

Yeah, every time we're down…
Yeah, you can make it right…
Yeah, and that's what makes you larger than life

All you people can't you see, can't you see,
How your love's affecting our reality,
Every time we're down, you can make it right,
And that makes you larger,
That makes you larger,
That makes you larger than life

**AS TEARS GO BY – The Rolling Stones**

It is the evening of the day…
I sit and watch the children play…
Smiling faces I can see, but not for me…
I sit and watch, as tears go by

My riches can't buy everything…
I want to hear the children sing…
All I hear is the sound, of rain falling on the ground…
I sit and watch, as tears go by

*Instrumental*

It is the evening of the day…
I sit and watch the children play…
Doin' things I used to do, they think are new…
I sit and watch, as tears go by

Mm mm mmm mm mm mm mmm mmm…

**YOU’RE NO GOOD – in the style of Linda Ronstadt**

Feelin' better, now that we're through,
Feelin' better, cause I'm over you,
I've learned my lesson, it left a scar,
Now I see how you really are

You're no good, you're no good, you're no good,
Baby, you're no good… I'm gonna say it again,
You're no good, you're no good, you're no good,
Baby, you're no good

I broke a heart, that's gentle and true,
Well, I broke a heart over someone like you,
I'll beg his forgiveness on bended knee,
I wouldn't blame him if he said to me:

You're no good, you're no good, you're no good,
Baby, you're no good… I'm gonna say it again,
You're no good, you're no good, you're no good,
Baby, you're no good

*Instrumental*

I'm telling you now baby, that I'm goin' my way,
Forget about me baby, 'cause I'm leaving this day

You're no good, you're no good, you're no good,
Baby, you're no good… I'm gonna say it again,
You're no good, you're no good, you're no good
Baby, you're no good

Oh, oh, no
You're no good, you're no good, you're no good,
Baby, you're no good

**IMAGINE – John Lennon**

Imagine there's no heaven, it's easy if you try,
No hell below us, above us, only sky,
Imagine all the people, livin' for today… ah-ah-ah

Imagine there's no countries, iIt isn't hard to do,
Nothing to kill or die for, and no religion, too,
Imagine all the people, livin' life in peace… you-oo-oou

You may say I'm a dreamer, but I'm not the only one,
I hope someday you'll join us, and the world will be as one

Imagine no possessions, I wonder if you can,
No need for greed or hunger, a brotherhood of man,
Imagine all the people, sharing all the world… you-oo-oou

You may say I'm a dreamer, but I'm not the only one,
I hope someday you'll join us, and the world will live as one

**WE WILL ROCK YOU – Queen**

Buddy, you're a boy, make a big noise,
Playing in the street, gonna be a big man someday,
You got mud on your face, you big disgrace,
Kicking your can all over the place, singin' –
We will, we will rock you… we will, we will rock you

Buddy, you're a young man, hard man,
Shouting in the street, gonna take on the world someday,
You got blood on your face, you big disgrace,
Waving your banner all over the place –
We will, we will rock you… we will, we will rock you

Buddy, you're an old man, poor man,
Pleading with your eyes, gonna make you some peace someday,
You got mud on your face,
Big disgrace, somebody better put you back into your place –
We will, we will rock you… we will, we will rock you…
We will, we will rock you… we will, we will rock you

**DANCING IN THE DARK – Bruce Springsteen**

I get up in the evenin', and I ain't got nothin' to say,
I come home in the mornin', I go to bed feelin' the same way,
I ain't nothin' but tired, man, I'm just tired and bored with myself,
Hey there, baby, I could use just a little help –
You can't start a fire, you can't start a fire without a spark,
This gun's for hire, even if we're just dancin' in the dark

Messages keeps gettin' clearer, radio's on and I'm movin' 'round my place,
I check my look in the mirror, wanna change my clothes, my hair, my face,
Man, I ain't gettin' nowhere, I'm just livin' in a dump like this,
There's somethin' happenin' somewhere, baby, I just know that there is –
You can't start a fire, you can't start a fire without a spark,
This gun's for hire, even if we're just dancin' in the dark

*Instrumental*

You sit around gettin' older,
There's a joke here somewhere and it's on me,
I'll shake this world off my shoulders,
Come on, baby, the laugh's on me

Stay on the streets of this town, and they'll be carvin' you up alright
They say you gotta stay hungry, hey baby, I'm just about starvin' tonight,
I'm dyin' for some action, I'm sick of sittin' 'round here tryin' to write this book,
I need a love reaction, come on now, baby, gimme just one look –
You can't start a fire, sittin' 'round cryin' over a broken heart,
This gun's for hire, even if we're just dancin' in the dark –
You can't start a fire, worryin' about your little world fallin' apart,
This gun's for hire, even if we're just dancin' in the dark

Even if we're just dancin' in the dark…

Even if we're just dancin' in the dark…

Even if we're just dancin' in the dark…

**CHAPEL OF LOVE – The Dixie Cups**

Goin' to the chapel and we're, gonna get married,
Goin' to the chapel and we're, gonna get married,
Gee, I really love you and we're, gonna get married,
Goin' to the chapel of love

Spring is here, the, sky is blue, whoa,
Birds all sing, as, if they knew,
Today's the day, we'll say "I do",
And we'll never, be lonely anymore

Because we're goin' to the chapel and we're, gonna get married
Goin' to the chapel and we're, gonna get married,
Gee, I really love you and we're, gonna get married,
Goin' to the chapel of love

Bells will ring, the, sun will shine, whoa,
I'll be his, and, he'll be mine,
We'll love until, the end of time,
And we'll never, be lonely anymore

Because we're goin' to the chapel and we're, gonna get married
Goin' to the chapel and we're, gonna get married,
Gee, I really love you and we're, gonna get married,
Goin' to the chapel of love

Goin' to the chapel of love

**I'M STILL STANDING – Elton John**

You could never know what it's like,
Your blood like winter freezes just like ice,
And there's a cold lonely light that shines from you,
You'll wind up like the wreck you hide behind that mask you use

And did you think this fool could never win?
Well, look at me, I'm a-coming back again,
I got a taste of love in a simple way,
And if you need to know while I'm still standing, you just fade away

Don't you know, I'm still standing better than I ever did,
Looking like a true survivor, feeling like a little kid,
I'm still standing after all this time,
Picking up the pieces of my life without you on my mind

I'm still standing, yeah, yeah, yeah… I'm still standing, yeah, yeah, yeah

Once I never could have hoped to win,
You're starting down the road leaving me again,
The threats you made were meant to cut me down,
And if our love was just a circus, you'd be a clown by now

You know, I'm still standing better than I ever did,
Looking like a true survivor, feeling like a little kid,
I'm still standing after all this time,
Picking up the pieces of my life without you on my mind

I'm still standing, yeah, yeah, yeah… I'm still standing, yeah, yeah, yeah

*Instrumental*

Don't you know, I'm still standing better than I ever did,
Looking like a true survivor, feeling like a little kid,
I'm still standing after all this time,
Picking up the pieces of my life without you on my mind

I'm still standing, yeah, yeah, yeah… I'm still standing, yeah, yeah, yeah…

I'm still standing, yeah, yeah, yeah… I'm still standing, yeah, yeah, yeah…

I'm still standing, yeah, yeah, yeah… I'm still standing, yeah, yeah, yeah…

**I WILL ALWAYS LOVE YOU – in the style of Whitney Houston**

If I should stay,
I would only be in your way,
So I'll go,
But I know
I'll think of you, every step of, the way…

And I… will always, love you,
I will always love you…

You, my darling, you,
Mmm-mm…

Bittersweet memories, that is all I'm taking with me,
So goodbye, please don't cry,
We both know I'm not what you, you need

And I... will always love you,
I... will always love you…
You, ooh

*Instrumental*

I hope, life treats you kind,
And I hope you have all you've dreamed of,
And I'm wish you joy and happiness,
But above all this, I wish you love…

And I... will always love you,
I will always, love you,
I will always, love you,
I will always love you…
I will always love you…
I, I will always… love… you…

You, darling, I love you,
Ooh, I'll always, I'll always love, you

**RING OF FIRE – Johnny Cash**

Love, is a burning thing…
And it makes, a fiery ring…
Bound, by wild desire…
I fell into a ring of fire

I fell into a burning ring of fire,
I went down, down, down and the flames went higher,
And it burns, burns, burns,
The ring of fire, the ring of fire

*Instrumental*

I fell into a burning ring of fire,
I went down, down, down and the flames went higher,
And it burns, burns, burns,
The ring of fire, the ring of fire

The taste, of love is sweet…
When hearts, like ours meet…
I fell for you like a child…
Oh, but the fire went wild

I fell into a burning ring of fire,
I went down, down, down and the flames went higher,
And it burns, burns, burns,
The ring of fire, the ring of fire

I fell into a burning ring of fire,
I went down, down, down and the flames went higher,
And it burns, burns, burns,
The ring of fire, the ring of fire

And it burns, burns, burns,
The ring of fire, the ring of fire,
The ring of fire, the ring of fire,
The ring of fire, the ring of fire...

**PEACEFUL EASY FEELING – The Eagles**

I like the way your sparklin' earrings lay,
Against your skin so brown,
I want to sleep by you in the desert tonight,
With a billion stars all around

'Cause I got a peaceful, easy feelin',
And I know you won't let me down,
'Cause I'm al…ready standing… on the ground

And I found out a long time ago,
What a woman can do to your soul,
Ah, but she can't take you any way,
You don't already know how to go

And I got a peaceful, easy feelin',
And I know you won't let me down,
'Cause I'm al…ready standing… on the ground

*Instrumental*

I get this feelin' I may know you,
As a lover and a friend,
This voice keeps whispering in my other ear,
Tells me I may never see you again

'Cause I get a peaceful, easy feelin',
And I know you won't let me down,
'Cause I'm al…ready standing,
I'm al…ready standing,
Yes, I'm al…ready standing on the ground

Yes, I'm al…ready standing on the ground

**HALLELUJAH – Leonard Cohen**

Now I've heard there was a secret chord,
That David played, and it pleased the Lord,
But you don't really care for music, do you?
It goes like this, the fourth, the fifth,
The minor fall, the major lift,
The baffled king composing Hallelujah…
Hallelujah, Hallelujah, Hallelujah, Hallelujah

Your faith was strong but you needed proof,
You saw her bathing on the roof,
Her beauty and the moonlight overthrew you…
She tied you to a kitchen chair,
She broke your throne, and she cut your hair,
And from your lips she drew the Hallelujah…
Hallelujah, Hallelujah, Hallelujah, Hallelujah

You say I took the name in vain,
I don't even know the name,
But if I did—well, really—what's it to you?
There's a blaze of light in every word,
It doesn't matter which you heard,
The holy or the broken Hallelujah…
Hallelujah, Hallelujah, Hallelujah, Hallelujah

I did my best, it wasn't much,
I couldn't feel, so I tried to touch,
I've told the truth, I didn't come to fool you…
And even though it all went wrong,
I'll stand before the Lord of Song,
With nothing on my tongue but Hallelujah…
Hallelujah, Hallelujah, Hallelujah, Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah

Hallelujah, Hallelujah, Hallelujah, Hallelujah
