

Are you a rock star in the shower? Or a pop star in the car?
But think you can't sing?

PITCH (im)PERFECT SINGERS

IS FOR YOU!!!

Logo created by Zayn Wiwchar, property of Pitch (im)Perfect Singers

Feel like belting out Adele to Celine, ABBA to Motown, the Beatles to the Carpenters, Country to Rock, Elvis to Elton and everything in between?
At Pitch (im)Perfect Singers, we believe you don't have to always sing in tune to make beautiful music together.

Unlike a traditional choir, no auditions, no sections, no pressure, no performance.

JUST SING!
