

MAMMA MIA

I've been cheated by you since I don't know when,
So I made up my mind, it must come to an end –
Look at me now, will I ever learn? I don't know how, but I suddenly lose control...
There's a fire within my soul...

Just one and I can hear a bell ring,
One more look and I forget everything, whoa

Mamma mia, here I go again, my, my, how can I resist you?
Mamma mia, does it show again? My, my, just how much I've missed you?
Yes, I've been broken-hearted, blue since the day we parted,
Why, why did I ever let you go?
Mamma mia, now I really know, my, my, I could never let you go

I've been angry and sad about things that you do,
I can't count all the times that I've told you we're through –
And when you go, when you slam the door,
I think you know that you won't be away too long...
You know that I'm not that strong...

Mamma mia, here I go again, my, my, how can I resist you?
Mamma mia, does it show again? My, my, just how much I've missed you?
Yes, I've been broken-hearted, blue since the day we parted,
Why, why did I ever let you go?

Mamma mia, even if I say, bye-bye, leave me now or never,
Mamma mia, it's a game we play, bye-bye doesn't mean forever

Mamma mia, here I go again, my, my, how can I resist you?
Mamma mia, does it show again? My, my, just how much I've missed you?
Yes, I've been broken-hearted, blue since the day we parted,
Why, why did I ever let you go?

Mamma mia, now I really know,
My, my, I could never let you go

TAKE A CHANCE ON ME

If you change your mind, I'm the first in line, honey I'm still free, take a chance on me,
If you need me, let me know, gonna be around,
If you've got no place to go, if you're feeling down...
If you're all alone when the pretty birds have flown,
Honey I'm still free, take a chance on me,
Gonna do my very best and it ain't no lie,
If you put me to the test, if you let me try –
Take a chance on me... take a chance on me

We can go dancing, we can go walking, as long as we're together...
Listen to some music, maybe just talking, get to know you better...
'Cause you know I've got,
So much that I wanna do, when I dream I'm alone with you, it's magic...
You want me to leave it there, afraid of a love affair,
But I think you know... that I can't let go

If you change your mind, I'm the first in line, honey I'm still free, take a chance on me,
If you need me, let me know, gonna be around,
If you've got no place to go, if you're feeling down...
If you're all alone when the pretty birds have flown,
Honey I'm still free, take a chance on me,
Gonna do my very best and it ain't no lie,
If you put me to the test, if you let me try –
Take a chance on me... take a chance on me

Oh you can take your time baby, I'm in no hurry, know I'm gonna get you...
You don't wanna hurt me, baby don't worry, I ain't gonna let you... let me tell you now!
My love is strong enough to last when things are rough, it's magic...
You say that I waste my time, but I can't get you off my mind,
No I can't let go... 'cause I love you so

If you change your mind, I'm the first in line, honey I'm still free, take a chance on me,
If you need me, let me know, gonna be around,
If you've got no place to go, if you're feeling down...
If you're all alone when the pretty birds have flown,
Honey I'm still free, take a chance on me,
Gonna do my very best, baby can't you see
Gotta put me to the test, take a chance on me

Ba-ba ba ba baa, ba-ba ba ba baa, honey I'm still free, take a chance on me,
X2 Gonna do my very best, baby can't you see
Gotta put me to the test, take a chance on me

LAY ALL YOUR LOVE ON ME

I wasn't jealous before we met,
Now every woman I see is a potential threat,
And I'm possessive, it isn't nice,
You've heard me saying that smoking was my only vice

But now it isn't true... now everything is new...
And all I've learned has overturned, I beg of you...
Don't go wasting your emotion, lay all your love on me

It was like shooting a sitting duck,
A little small talk, a smile, and, baby, I was stuck
I still don't know what you've done with me
A grown-up woman should never fall so easily

I feel a kind of fear... when I don't have you near...
Unsatisfied, I skip my pride, I beg you, dear...
Don't go wasting your emotion, lay all your love on me...
Don't go sharing your devotion, lay all your love on me

Instrumental

I've had a few little love affairs,
They didn't last very long and they've been pretty scarce,
I used to think I was sensible,
It makes the truth even more incomprehensible

'Cause everything is new... and everything is you...
And all I've learned has overturned, what can I do?
Don't go wasting your emotion, lay all your love on me...
Don't go sharing your devotion, lay all your love on me

Don't go wasting your emotion, lay all your love on me...
Don't go sharing your devotion, lay all your love on me

S.O.S.

Where are those happy days? They seem so hard to find?
I try to reach for you, but you have closed my mind

Whatever happened to our love? I wish I understood,
It used to be so nice, it used to be so good

So when you're near me, darling, can't you hear me S.O.S.?
The love you gave me, nothing else can save me, S.O.S.
When you're gone, how can I even try to go on?
When you're gone though I try how can I carry on?

You seem so far away though you are standing near,
You made me feel alive, but something died I fear

I really tried to make it out, I wish I understood,
What happened to our love? It used to be so good

So when you're near me, darling, can't you hear me S.O.S.?
The love you gave me, nothing else can save me, S.O.S.
When you're gone, how can I even try to go on?
When you're gone though I try how can I carry on?

Instrumental

So when you're near me, darling, can't you hear me S.O.S.?
And the love you gave me, nothing else can save me, S.O.S.
When you're gone, how can I even try to go on?
When you're gone though I try how can I carry on?

When you're gone, how can I even try to go on?
When you're gone though I try how can I carry on?

ANGEL EYES

Ah ha ha, ah ha ha, ha ha ha... ah ha ha, ah ha ha, ha ha ha,
Ah ha ha, keep thinkin' 'bout his angel eyes, keep thinkin', ah

Last night, I was taking a walk along the river,
And I saw him together with a young girl,
And the look that he gave her made me shiver,
'Cause he always used to look at me that way...
And I thought... maybe I should walk right up to her and say...
Ah ha ha, it's a game he likes to play

Look into his angel eyes, one look and you're hypnotized,
He'll take your heart and you must pay the price...
Look into his angel eyes, you'll think you're in paradise,
And one day you'll find out he wears a disguise,
Don't look too deep into those angel eyes, oh no no no no

Ah ha ha, ah ha ha, ha ha ha... ah ha ha, ah ha ha, ha ha ha,
Ah ha ha, keep thinkin' 'bout his angel eyes, keep thinkin', ah

Sometimes, when I'm lonely, I sit and think about him,
And it hurts to remember all the good times,
When I thought I could never live without him,
And I wonder does it have to be the same...
Every time, when I see him, will it bring back all the pain?
Ah ha ha, how can I forget that name?

Look into his angel eyes, one look and you're hypnotized,
He'll take your heart and you must pay the price...
Look into his angel eyes, you'll think you're in paradise,
Then one day you'll find out he wears a disguise,
Don't look too deep into his angel eyes, crazy 'bout his angel eyes...
Angel eyes, he took my heart and now I pay the price

Look into his angel eyes, you'll think you're in paradise,
Then one day you'll find out he wears a disguise,
Don't look too deep into those angel eyes, oh no no no no

Ah ha ha, ah ha ha, ha ha ha... ah ha ha, ah ha ha, ha ha ha,
Ah ha ha, keep thinkin', ah ah ah, ah ah ah, keep thinkin', 'bout his angel eyes

KNOWING ME, KNOWING YOU

No more, carefree, laughter... silence, ever, after...

Walking through an empty house, tears in my eyes,
This is where the story ends, this is goodbye

Knowing me, knowing you (uh-huh)
There is nothing we can do
Knowing me, knowing you (uh-huh)
We just have to face it this time... we're... through
Breaking up is never easy, I know, but I have... to... go,
Knowing me, knowing you, it's the best I can do

Instrumental

Memories, good days, bad days... they'll be, with me, always...

In these old familiar rooms, children would play,
Now there's only emptiness, nothing to say

Knowing me, knowing you (uh-huh)
There is nothing we can do
Knowing me, knowing you (uh-huh)
We just have to face it this time... we're... through
Breaking up is never easy, I know, but I have... to... go,
Knowing me, knowing you, it's the best I can do

Instrumental

Knowing me, knowing you (uh-huh)
There is nothing we can do
Knowing me, knowing you (uh-huh)
We just have to face it this time... we're... through
Breaking up is never easy, I know, but I have... to... go,
Knowing me, knowing you, it's the best I can do

CHIQUITITA

Chiquitita, tell me what's wrong, you're enchained by your own sorrow,
In your eyes, there is no hope for tomorrow,
How I hate to see you like this, there is no way you can deny it,
I... can see, that you're oh so sad, so quiet

Chiquitita, tell me the truth, I'm a shoulder you can cry on,
Your best friend, I'm the one you must rely on,
You were always sure of yourself, now I see you've broken a feather,
I... hope, we can patch it up together

Chiquitita, you and I know...
How the heartaches come and they go and the scars they're leavin',
You'll be dancing once again and the pain will end,
You will have no time for grievin'...
Chiquitita, you and I cry...
But the sun is still in the sky and shinin' above you,
Let me hear you sing once more, like you did, before, sing a new song, Chiquitita,
Try once more, like you did, before, sing a new song, Chiquitita

So the walls came tumblin' down, and your love's a blown out candle,
All is gone, and it seems too hard to handle,
Chiquitita, tell me the truth, there is no way you can deny it,
I... see, that you're oh so sad, so quiet

Chiquitita, you and I know...
How the heartaches come and they go and the scars they're leavin'
You'll be dancin' once again and the pain will end,
You will have no time for grievin'...
Chiquitita, you and I cry...
But the sun is still in the sky and shinin' above you,
Let me hear you sing once more, like you did, before, sing a new song, Chiquitita,
Try once more, like you did, before, sing a new song, Chiquitita

Try once more,
Like you did, before,
Sing a new song,
Chiquitita

Instrumental

SUPER TROUPER

Super trouter beams are gonna blind me, but I won't feel blue... like I always do...
'Cause somewhere in the crowd there's you

Instrumental

I was sick and tired of everything, when I called you last night from Glasgow,
All I do is eat and sleep and sing, wishing every show was the last show

So imagine I was glad to hear you're coming, suddenly I feel all right,
And it's gonna be so different when I'm on the stage tonight...

Tonight the super trouter lights are gonna find me, shining like the sun...
Smiling, having fun... feeling like a number one
Tonight the super trouter beams are gonna blind, but I won't feel blue...
Like I always do... 'cause somewhere in the crowd there's you

Instrumental

Facing twenty thousand of your friends, how can anyone be so lonely?
Part of a success that never ends, still I'm thinking about you only

There are moments when I think I'm going crazy, but it's gonna be all right
Everything will be so different when I'm on the stage tonight...

Tonight the super trouter lights are gonna find me, shining like the sun...
Smiling, having fun... feeling like a number one
Tonight the super trouter beams are gonna blind, but I won't feel blue...
Like I always do... 'cause somewhere in the crowd there's you

So I'll be there, when you arrive, the sight of you will prove to me I'm still alive,
And when you take me in your arms... and hold me tight...
I know it's gonna mean so much tonight

Tonight the super trouter lights are gonna find me, shining like the sun...
Smiling, having fun... feeling like a number one
Tonight the super trouter beams are gonna blind, but I won't feel blue...
Like I always do... 'cause somewhere in the crowd there's –
Super trouter lights are gonna find me, shining like the sun...
Smiling, having fun... feeling like a number one

I DO, I DO, I DO, I DO, I DO

Love me or leave me,
Make your choice, but believe me,
I love you...
I do, I do, I do, I do, I do

I can't conceal it,
Don't you see? Can't you feel it?
Don't you too...?
I do, I do, I do, I do, I do

Oh, I've been dreaming through my lonely past,
Now I've just made it, I found you at last

So come on now, let's try it,
I love you, can't deny it,
'Cause it's true...
I do, I do, I do, I do, I do

Instrumental

Oh, no hard feelings between you and me,
If we can't make it, but just wait and see

So come on now, let's try it,
I love you, can't deny it,
'Cause it's true...
I do, I do, I do, I do, I do

So, love me or leave me,
Make your choice, but believe me,
I love you...
I do, I do, I do, I do, I do

I can't conceal it,
Don't you see? Can't you feel it?
Don't you too...?
I do, I do, I do, I do, I do

ONE OF US

Instrumental

They passed me by, all of those great romances,
You were I felt robbing me, of my rightful chances,
My picture clear, everything seemed so eea-sy,
And so I dealt you the blow, one of us had to go,
Now it's different, I want you to know

One of us is crying, one of us is lying, in her lonely bed...
Staring at the ceiling... swishing she was somewhere else instead...
One of us is lonely, one of us is only, waiting for a call...
Sorry for herself, feeling stupid feeling small,
Wishing she had never left at all

I saw myself as a concealed attraction,
I felt you kept me away, from the heat and the action,
Just like a child, stubborn and misconcei-ving...
That's how I started the show, one of us had to go,
Now I've changed and I want you to know

One of us is crying, one of us is lying, in her lonely bed...
Staring at the ceiling... swishing she was somewhere else instead...
One of us is lonely, one of us is only, waiting for a call...
Sorry for herself, feeling stupid feeling small,
Wishing she had never left at all, never left at all

Instrumental

Staring at the ceiling... swishing she was somewhere else instead...
One of us is lonely, one of us is only, waiting for a call...
Sorry for herself, feeling stupid feeling small,
Wishing she had never left at all

WATERLOO

My, my! At Waterloo, Napoleon did surrender,
Oh, yeah! And I have met my destiny in quite a similar way

The history book on the shelf, is always repeating itself...

Waterloo, I was defeated, you won the war,
Waterloo, promise to love you forevermore,

Waterloo, couldn't escape if I wanted to,
Waterloo, knowing my fate is to be with you,
Whoa-whoa-whoa-whoa Waterloo, finally facing my Waterloo

Instrumental

My, my! I tried to hold you back, but you were stronger,
Oh, yeah! And now it seems my only chance is giving up the fight

And how could I ever refuse? I feel like I win when I lose...

Waterloo, I was defeated, you won the war,
Waterloo, promise to love you forevermore,

Waterloo, couldn't escape if I wanted to,
Waterloo, knowing my fate is to be with you,
Whoa-whoa-whoa-whoa Waterloo, finally facing my Waterloo

So how could I ever refuse? I feel like I win when I lose-
Waterloo, couldn't escape if I wanted to,
Waterloo, knowing my fate is to be with you,
Whoa-whoa-whoa-whoa Waterloo, finally facing my Waterloo

Ooh-ooh, Waterloo, knowing my fate is to be with you,
Whoa-whoa-whoa-whoa Waterloo, finally facing my Waterloo,

Ooh-ooh, Waterloo, knowing my fate is to be with you

I HAVE A DREAM

I have a dream, a song to sing,
To help me cope, with anything,
If you see the wonder, of a fairytale,
You can take the future, even if you fail

I believe in angels,
Something good in everything I see,
I believe in angels,
When I know the time is right for me,
I'll cross the stream, I have a dream

I have a dream, a fantasy,
To help me through, reality,
And my destination, makes it worth the while,
Pushing through the darkness, still another mile

I believe... in angels,
Something good in everything I see,
I believe in angels,
When I know the time is right for me,
I'll cross the stream, I have a dream
I'll cross the stream, I have a dream

Instrumental

I have a dream, a song to sing,
To help me cope, with anything,
If you see the wonder, of a fairytale,
You can take the future, even if you fail

I believe... in angels,
Something good in everything I see,
I believe in angels,
When I know the time is right for me,
I'll cross the stream, I have a dream
I'll cross the stream, I have a dream

Instrumental

DANCING QUEEN

Ooh...

You can dance, you can jive, having the time of your life,
Ooh, see that girl, watch that scene, digging the dancing queen

Friday night and the lights are low,
Looking out for a place to go,
Where they play the right music, getting' in the swing, you come to look for a king

Anybody could be that guy,
Night is young and the music's... high...
With a bit of rock music, everything is fine, you're in the mood for a dance

And when you get the chance...

You are the dancing queen, young and sweet, only seventeen,
Dancing queen, feel the beat from the tambourine, oh yeah

You can dance, you can jive, having the time of your life,
Ooh, see that girl, watch that scene, digging the dancing queen

Instrumental

You're a teaser, you turn 'em on,
Leave them burning and then you're... gone...
Looking out for another, anyone will do, you're in the mood for a dance

And when you get the chance...

You are the dancing queen, young and sweet, only seventeen,
Dancing queen, feel the beat from the tambourine, oh, yeah

You can dance, you can jive, having the time of your life,
Ooh, see that girl, watch that scene, digging the dancing queen

Digging the dancing queen...
Digging the dancing queen
