

I'VE JUST SEEN A FACE – The Beatles

I've just seen a face I can't forget the time or place where we just met,
She's just the girl for me, and I want all the world to see we've met,
Mm-mm-mm-m'mm-mm

Had it been another day I might have looked the other way
And I'd have never been aware, but as it is I'll dream of her tonight,
Di-di-di-di'n'di

Fallin', yes, I am fallin',
And she keeps callin', me back again

I have never known the like of this, I've been alone and I have
Missed things and kept out of sight, but other girls were never quite like this,
Di-di-di-di'n'di

Fallin', yes, I am fallin',
And she keeps callin', me back again

Instrumental

Fallin', yes, I am fallin',
And she keeps callin', me back again

I've just seen a face I can't forget the time or place where we just met,
She's just the girl for me and I want all the world to see we've met,
Mm-mm-mm-di-di-di

Fallin', yes, I am fallin',
And she keeps callin', me back again

Fallin', yes, I am fallin',
And she keeps callin', me back again

Oh, fallin', yes, I am fallin',
And she keeps callin', me back again

HOPELESSLY DEVOTED TO YOU – Olivia Newton-John

Guess mine is not the first heart broken,
My eyes are not the first to cry,
I'm not the first to know, there's just no getting over you

I know I'm just a fool who's willing,
To sit around and wait for you,
But baby, can't you see there's nothing else for me to do?
I'm hopelessly devoted to you

But now... there's nowhere to hide, since you pushed my love aside,
I'm out of my head, hopelessly devoted to you...
Hopelessly devoted to you...
Hopelessly devoted to you

My head is sayin', "fool, forget him",
My heart is sayin', "don't let go...
Hold on to the end", that's what I intend to do...
I'm hopelessly devoted to you

But now... there's no way to hide, since you pushed my love aside,
I'm outta my head, hopelessly devoted to you...
Hopelessly devoted to you...
Hopelessly devoted to you

WHAT MAKES YOU BEAUTIFUL – One Direction

You're insecure, don't know what for,
You're turning heads when you walk through the do-oh-or,
Don't need make-up, to cover up, being the way that you are is enou-uh-ugh.

Everyone else in the room can see it, everyone else but you...

Baby you light up my world like nobody else,
The way that you flip your hair gets me overwhelmed,
But when you smile at the ground it ain't hard to tell,
You don't know-oh-oh... you don't know you're beautiful!
If only you saw what I can see, you'd understand why I want you so desperately,
Right now I'm looking at you and I can't believe,
You don't know-oh-oh... you don't know you're beautiful,
Oh-oh... that's what makes you beautiful

So c-come on, you got it wrong, to prove I'm right, I put it in a so-o-ong,
I don't know why, you're being shy, and turn away when I look into your i-i-eyes

Everyone else in the room can see it, everyone else but you...

Baby you light up my world like nobody else,
The way that you flip your hair gets me overwhelmed,
But when you smile at the ground it ain't hard to tell,
You don't know-oh-oh... you don't know you're beautiful!
If only you saw what I can see, you'll understand why I want you so desperately,
Right now I'm looking at you and I can't believe,
You don't know-oh-oh... you don't know you're beautiful,
Oh-oh... that's what makes you beautiful

Baby you light up my world like nobody else,
The way that you flip your hair gets me overwhelmed,
But when you smile at the ground it ain't hard to tell,
You don't know-oh-oh... you don't know you're beautiful!

Baby, you light up my world like nobody else
The way that you flip your hair gets me overwhelmed
But when you smile at the ground it ain't hard to tell
You don't know-oh-oh... you don't know you're beautiful!
If only you saw what I can see, you'll understand why I want you so desperately,
Right now I'm looking at you and I can't believe,
You don't know-oh-oh... you don't know you're beautiful,
Oh-oh... you don't know you're beautiful!

Oh-oh... that's what makes you beautiful!

BABY I LOVE YOUR WAY – in the style of Big Mountain

Ooh, baby, I love your way, every day, yeah... ooh, baby, I love your way

Shadows grow so long before my eyes... and they're moving... across the page,
Suddenly the day turns into night... far away, from the city

But don't, oh no, hesitate... 'cause your love... just won't wait, ayy-yeah

Ooh, baby, I love your way, every day, yeah,
I wanna tell you I love your way, every day, yeah,
I wanna be with you night and day

The moon appears to shine and light the sky... with the help... of some fireflies,
I wonder how they have the power to shine, shine, shine,
Well, I can see them, under the pine

But don't, whoa no, no, hesitate... 'cause your love just won't wait, ayy-yeah

Ooh, baby, I love your way, every day, yeah,
I wanna tell you I love your way, every day, yeah,
I wanna be with you night and day

Instrumental

I can see the sunset in your eyes... brown and grey... and blue besides...
Clouds are stalking islands in the sun... I wish I could buy one... out of season

But don't, whoa no, hesitate, la-di-da... 'cause your love just won't wait
Jjust won't wa-aiit

Ooh, baby, I love your way, every, every day,
I wanna tell you I love your way, every day,
I wanna be with you night and day

Ooh, baby, I love your way, every, every day,
I wanna tell you I love your way, every day,
I wanna be with you night and day

Ooh, baby, I love your way, every day

WATERLOO – ABBA

My, my! At Waterloo, Napoleon did surrender,
Oh, yeah! And I have met my destiny in quite a similar way

The history book on the shelf, is always repeating itself...

Waterloo, I was defeated, you won the war,
Waterloo, promise to love you forevermore,
Waterloo, couldn't escape if I wanted to,
Waterloo, knowing my fate is to be with you,
Wa-Wa-Wa-Wa-Waterloo, finally facing my Waterloo

Instrumental

My, my! I tried to hold you back, but you were stronger,
Oh, yeah! And now it seems my only chance is giving up the fight

And how could I ever refuse? I feel like I win when I lose...

Waterloo, I was defeated, you won the war,
Waterloo, promise to love you for ever more,
Waterloo, couldn't escape if I wanted to,
Waterloo, knowing my fate is to be with you,
Wa-Wa-Wa-Wa-Waterloo, finally facing my Waterloo

So how could I ever refuse? I feel like I win when I lose-

Waterloo, couldn't escape if I wanted to,
Waterloo, knowing my fate is to be with you,
Wa-Wa-Wa-Wa-Waterloo, finally facing my Waterloo

Ooh-ooh, Waterloo, knowing my fate is to be with you,
Wa-Wa-Wa-Wa-Waterloo, finally facing my Waterloo,
Ooh-ooh, Waterloo, knowing my fate is to be with you

YOU'VE GOT A FRIEND – Carole King

When you're down and troubled, and you need some lovin' care,
And nothin', nothin' is goin' right,
Close your eyes and think of me, and soon I will be there,
To brighten up, even your darkest night

You just call out my name, and you know, wherever I am,
I'll come runnin', to see you again...
Winter, spring, summer or fall, all you have to do is call, and I'll be there,
You've got a friend

If the sky above you, grows dark and full of clouds,
And that old, north wind begins to blow,
Keep your head together, and call my name out loud,
Soon you'll hear me knockin' at your door

You just call out my name, and you know, wherever I am,
I'll come runnin', to see you again...
Winter, spring, summer or fall, all you have to do is call, and I'll be there,
Yes I will

Now ain't it good to know that you've got a friend, when people can be so cold?
They'll hurt you, yes, and desert you,
And take your soul if you let them,
Oh, but don't you let them

You just call out my name, and you know, wherever I am,
I'll come runnin', to see you again...
Winter, spring, summer or fall, all you have to do is call, and I'll be there,
Yes, I will, you've got a friend

You've got a friend

You've got a friend

LOVE NEVER FELT SO GOOD – Michael Jackson

Baby, love never felt so good, and I'd doubt if it ever could,
Not like you hold me, hold me...
Oh baby, love never felt so fine, and I'd doubt if it's never mine,
Not like you hold me, hold me

And the night is gonna be just fine...
Gotta fly, gotta see, I can't wait, I can't take it, 'cause

Baby, every time I love you, it's in and out my life, in and out baby,
Tell me, if you really love me, it's in and out my life, in and out baby,
So baby, yes, love never felt so good

Baby, love never felt so fine, and I'd doubt if it's ever mine
Not like you hold me, hold me,
Oh baby, love never felt so good, and I'd doubt if it ever could,
Not like you hold me, hold me

And the night is gonna be just fine...
Gotta fly, gotta see, can't believe, I can't take it, 'cause

Baby, every time I love you, it's in and out my life, in and out baby,
Tell me, if you really love me, it's in and out my life, drive me crazy,
Baby, love never felt so good

Baby, love never felt so fine, and I'd doubt if it was mine, all mine,
Not like you hold me, hold me...
Oh baby, love never felt so good, so good, and I'd doubt if it ever could,
Not like you hold me, hold me

And the night is gonna be just fine...
Gotta fly, gotta see, can't believe, I can't take it, 'cause

Baby, every time I love you, it's in and out my life, in and out baby,
Tell me, if you really love me, it's in and out my life, drive me crazy,
'Cause baby, love never felt so good

DO WAH DIDDY DIDDY – Manfred Mann

There she was just a-walkin' down the street, singin',
'Do wah diddy diddy dum diddy do'...
Snappin' her fingers and shufflin' her feet, singin',
'Do wah diddy diddy dum diddy do'

She looked good (*looked good*)... she looked fine (*looked fine*)...
She looked good, she looked fine, and I nearly lost my mind

Before I knew it she was walkin' next to me, singin',
'Do wah diddy diddy dum diddy do'...
Holdin' my hand just as natural as can be, singin',
'Do wah diddy diddy dum diddy do'

We walked on (*walked on*)... to my door (*my door*)...
We walked on to my door, then we kissed a little more

Whoa-oh, I knew we was falling in love...
Yes, I did, and so I told her all the things I'd been dreamin' of

Now we're together nearly every single day, singin',
'Do wah diddy diddy dum diddy do'
A-we're so happy, and that's how we're gonna stay, singin',
'Do wah diddy diddy dum diddy do'

Well, I'm hers (*I'm hers*)... She's mine (*she's mine*)
I'm hers, she's mine, wedding bells are gonna chime

Whoa-oh, I knew we was falling in love...
Yes, I did, and so I told her all the things I'd been dreamin' of

Now we're together nearly every single day, singin',
'Do wah diddy diddy dum diddy do'
A-we're so happy, and that's how we're gonna stay, singin',
'Do wah diddy diddy dum diddy do'

Well, I'm hers (*I'm hers*)... She's mine (*she's mine*)
I'm hers, she's mine, wedding bells are gonna chime

Do wah diddy diddy dum diddy do... do wah diddy diddy dum diddy do,
Do wah diddy diddy dum diddy do

WE ARE GONNA BE FRIENDS – The White Stripes

Fall is here, hear the yell, back to school, ring the bell,
Brand new shoes, walking blues, climb the fence, books and pens,
I can tell that we are gonna be friends...
I can tell that we are gonna be friends

Walk with me, Suzy Lee, through the park and by the tree,
We will rest upon the ground, and look at all the bugs we found,
Safely walk to school without a sound...
Safely walk to school without a sound

Here we are, no one else, we walk to school all by ourselves,
There's dirt on our uniforms, from chasing all the ants and worms,
We clean up and now it's time to learn...
We clean up and now it's time to learn

Numbers, letters learn to spell, nouns, and books and show-and-tell,
Playtime, we will throw the ball, back to class, through the hall,
Teacher marks our height against the wall...
Teacher marks our height against the wall

And we don't notice any time pass,
We don't notice anything,
We sit side by side in every class,
Teacher thinks that I sound funny, but she likes the way you sing

Tonight I'll dream, while I'm in bed, when silly thoughts go through my head,
About the bugs and alphabet, and when I wake tomorrow, I'll bet,
That you and I will walk together again...
I can tell that we are gonna be friends...

Yes, I can tell that we are gonna be friends

TAKE A CHANCE ON ME – ABBA

Love me or leave me, make your choice but believe me,
I love you... I do, I do, I do, I do, I do

I can't conceal it, don't you see? Can't you feel it?
Don't you too? I do, I do, I do, I do, I do

Oh, I've been dreaming through my lonely past,
Now I've just made it,
I found you at last

So come on now, let's try it, I love you, can't deny it,
'Cause it's true... I do, I do, I do, I do, I do

Instrumental

Oh, no hard feelings between you and me,
If we can't make it,
But just wait and see

So come on now, let's try it, I love you, can't deny it,
'Cause it's true... I do, I do, I do, I do, I do

So, love me or leave me, make your choice but believe me,
I love you... I do, I do, I do, I do, I do

I can't conceal it, don't you see? Can't you feel it?
Don't you too? I do, I do, I do, I do, I do

AND I LOVE HER – The Beatles

I give her all my love,
That's all I do,
And if you saw my love,
You'd love her too,
I love her

She gives my everything,
And tenderly,
The kiss my lover brings,
She brings to me,
And I love her

A love like ours...
Could never die...
As long as I,
Have you near me

Bright are the stars that shine,
Dark is the sky,
I know this love of mine,
Will never die,
And I love her

Instrumental

Bright are the stars that shine,
Dark is the sky,
I know this love of mine,
Will never die,
And I love her

LOVE STORY - Taylor Swift

We were both young when I first saw you, close my eyes and the flashback starts
I'm standin' there... on a balcony in summer air...
See the lights, see the party, the ball gowns,
See you make your way through the crowd, and say, "hello"... little did I know...
That you were Romeo, you were throwin' pebbles,
And my daddy said, "stay away from Juliet",
And I was cryin' on the staircase, beggin' you, "Please don't go, " and I said –

Romeo, take me somewhere we can be alone,
I'll be waiting, all there's left to do is run
You'll be the prince and I'll be the princess, it's a love story, baby, just say, "yes"

I sneak out to the garden to see you,
We keep quiet, 'cause we're dead if they knew, so close your eyes...
Escape this town for a little while...
'Cause you were Romeo, I was a scarlet letter,
And my daddy said, "Stay away from Juliet",
But you were everything to me, I was beggin' you, "please don't go, " and I said –

Romeo, take me somewhere we can be alone,
I'll be waiting, all there's left to do is run,
You'll be the prince and I'll be the princess, it's a love story, baby, just say, "yes",
Romeo, save me, they're tryna tell me how to feel,
This love is difficult, but it's real,
Don't be afraid, we'll make it out of this mess, it's a love story baby, just say "yes"

Instrumental

I got tired of waiting... wonderin' if you were ever comin' around,
My faith in you was fading... when I met you on the outskirts of town, and I said:
Romeo, save me, I've been feeling so alone,
I keep waiting for you, but you never come,
Is this in my head? I don't know what to think,
He knelt to the ground and pulled out a ring and said:
"Marry me, Juliet, you'll never have to be alone,
I love you and that's all I really know,
I talked to your dad, go pick out a white dress,
It's a love story, baby, just say, "yes"... oh oh... oh ohh...

'Cause we were both young when I first saw you

STILL THE ONE – Orleans

We've been together since way back when...
Sometimes I, never wanna see you again...
But I want you to know, after all these years,
You're still the one I want whisperin' in my ear

You're still the one I wanna talk to in bed,
Still the one that turns my head,
We're still having fun, and you're still the one

I looked at your face every day...
But I never saw it 'til I went away...
When winter came, I just wanted to go,
Deep in the desert, I longed for the snow

You're still the one that makes me laugh,
Still the one that's my better half,
We're still having fun, and you're still the one...

You're still the one that makes me strong,
Still the one I wanna take along,
We're still having fun, and you're still the one

**Instrumental* (Ooh... Ooh)*

Changing, our love is going gold,
Even though we grow old, it grows new

You're still the one that I love to touch,
Still the one and I can't get enough,
We're still having fun, and you're still the one

You're still the one who can scratch my itch,
You're still the one that I wouldn't switch,
We're still having fun, and you're still the one

You... are... still the one that makes me shout,
Still the one that I dream about,
We're still having fun, and you're still the one

You're still the one... you're still the one...
We're still having fun, and you're still the one

ANNIE'S SONG – John Denver

You fill up my senses,
Like a night in a forest,
Like the mountains in springtime,
Like a walk in the rain...

Like a storm in the desert,
Like a sleepy blue ocean,
You fill up my senses,
Come fill me again

Come let me love you,
Let me give my life to you,
Let me drown in your laughter,
Let me die in your arms...

Let me lay down beside you,
Let me always be with you,
Come let me love you,
Come love me again

Instrumental

Let me give my life to you,
Come let me love you,
Come love me again

You fill up my senses,
Like a night in a forest,
Like the mountains in springtime,
Like a walk in the rain...

Like a storm in the desert...
Like a sleepy blue ocean...
You fill up my senses,
Come fill me again

Think of your fellow man, lend him a helping hand,
Put a little love in your heart

You see it's getting late, oh, please don't hesitate,
Put a little love in your heart

And the world will be a better place, and the world will be a better place,
For you... and me... you just wait... and see

Another day goes by, still the children cry,
Put a little love in your heart

If you want the world to know, we won't let hatred grow,
Put a little love in your heart

And the world will be a better place, and the world will be a better place,
For you... and me... you just wait... and see...
Wait and see...

Take a good look around, and if you're looking down,
Put a little love in your heart

I hope when you decide, kindness will be your guide,
Put a little love in your heart

And the world will be a better place, and the world will be a better place,
For you... and me... you just wait... and see
